## 180 HOMES PLANNED FOR PARK STREET

Preliminary plans were filed yesterday with the Wilmington Planning Board, for the construction of 180 homes, on both sides of Park Street, in North Wilmington.

Filing the plans were the Campanelli Brothers of Braintree, one of the largest real estate developers of the country, who have built many thousand homes in Massachusetts and Illinois. Most of the homes built in Massachusetts by the company have been in the Brockton area, and lately in Peabody. The firm employs its own full time architect, who is also the Chairman of the City of Brockton Planning Board.

Martin Cerel, well known real-estate agent, is the principal agent for the Campanelli Brothers firm.

Preliminary plans, such as were filed yesterday, are not the final plans, but offer a developer a protection against any hasty re-zoning by the community. Before final approval is given final Definitive Plans must be filed, and a public hearing held by the Planning Board.

The land shown in the two plans filed is in the SRA Zone, Half-Acre lots, and is listed as being the property of the Anderson Brothers (both sides of Park Street) and of Alvin Richardson, at the end of Gowing Road.

The preliminary plans show that

Photographed at the Wamesit District Boy Scout Rally, Saturday morning, at the De Moulas parking lot. In the foreground Tony De Francesco, De Moulas Manager and President Stanley Webber are chatting, while Mrs George (Marion) Boylen is seated. Beyond may be seen the First Aid tent, and tents of the various Boy Scout units, and, in the distance, the Signal Tower erected by the Scouts of Troop 63.

139 homes is planned for the two sides of Park Street, and about 40 homes for the Richardson lot.

To be held in the homes of various members of the church, the goals and programs of the church for the coming year will be explained and illustrated by trained laymen. The Minister, the Rev. Thomason, will also be speaking at each of the 21 meetings.

The Every Family Canvass is planned to culminate on November 11th, Loyalty Sunday, when 100 or more callers will be visiting in the several hundred homes throughout the parish.

## D.A.V. MEMBERS DONATED BLOOD

Six members of the William F. Tattersall Chapter of the Disabled Veterans of America were among those who have donated blood for Joseph Di Sisto of Saugus, at the Massachusetts General Hospital.

Mr Di Sisto, a Marine veteran, suffered 70% burns in a fire, and has been kept alive by blood donations.

Donating, from Wilmington, were Commander Eddie Forest, Walter Gustus, Charles Ross, Bill McNabb, Sid Kaiser and Ernie Mutchler.

HUGHES CO-ORDINATORS

James Kintegos of Glen Road (left) and Paul Bodenstein, Woburn St., co-ordinators in Wilmington of the Hughes for U S Senate Campaign. With others they collected about 500 signatures for the Harvard professor's primary campaign, and are now working for the November election.

Both attended the State Convention last Saturday, in Newton, which was capped by a speech by Hughes. It was the first of its kind in Massachusetts. Other speakers included Edward Snyder of the Society of Friends, I F Stone, of the Stone Weekly, Washington DC., and Nobel Prize Winner Albert Szent-Gyorgyi.

Hughes is basing his campaign on an appeal to end the Arms Race, controlled through the United Nations Police Force, and an end to all nuclear testing.

## THE DOWNHILL TRAIL

It is quite appropriate that the Selectman who re-nominated Cecil Lancaster for another term of office as Town Manager of Wilmington should be the man who was deliberately breaking the laws of Wilmington for his own private gain while he was serving in the high office of Selectman. It is a token gesture which can be understood by all.

Lancaster's term of office has been one of continual downgrading for the Town of Wilmington. Seeming material successes, over which he and some Selectmen preen themselves, are either the predicted result of Route 93 or else the work of private individuals. Inept management has raised taxes and bids to raise them still more. Officials who act honestly are subject to harassment, and rewards go to persons who will submit to the system with their eyes closed.

Wilmington, not too many years ago, was definitely on the up-grade. That statement is no longer true.

## INDIVIDUAL REACTIONS

It is sad to see people who have a long and honorable record of being discerning individuals lose that ability. Such seems to be the case, in Wilmington.

Only one Selectman seems to be able to see the underlying dangers in the re-election of Cecil Lancaster as Town Manager of Wilmington, and that is the lady on the board.

The lady has never made any public statement to the press or otherwise, concerning her thoughts on Lancaster, but she did tell some friends privately.

A year and a half ago she realized that she, as a Selectman of Wilmington, knew less of what was going on than she knew before Wilmington had a Town Manager plan. She could see (as no other Selectmen seems able to see) the results of careless preparation and lack-a-day attitude and, she told friends, the scandals in Wilmington today can mostly be put right at the Town Manager's feet.

## THERE IS JUST TODAY AND TOMORROW

The 100% Real Estate Assessments in Wilmington came as a sad blow to the Disabled Veterans and Widows and others who receive an exemption on part of their assessments. In the case of the disabled veteran the loss amounts to about \$76 a year.

Some folks have little need for household insurance. Chances are you do. If in doubt about your coverage, see

## SUSIE'S SONNETS

by Sylvia Neilson

### 'WE HOLD THESE TRUTHS'

Way down there in Mississippi

The Gov'nor's feeling mighty chippy;

Naught can budge this dictum sacred:

'Democracy is based on hatred.'

However, this class of person should not overlook the fact that there is still exemption existing for them, and that they have to file Abatement Papers before the first of October to qualify.

There are only two days left to file such papers with the Board of Assessors.

## STRANGE ECONOMICS

The Economics of our Town Fathers are wondrous and strange, and can be compared, perhaps to a mixture of hamburgers and caviar, as a means of steady diet.

Last week they saved money by having the polls open only four hours.

Last summer they saved (?) money by persuading the Town Meeting not to vote for a playground at the North School.

And in between they spent some \$20,000 to \$30,000 ripping out curbstones and replacing them with others, on Church Street.

## CARD OF THANKS

Citizens of Wilmington:  
It is with deep appreciation I thank you for the splendid vote accorded me on Primary Day. I also want to thank all my campaign workers who worked so diligently in my behalf. To the unsuccessful candidates, I commend them for the high level on which they campaigned. I earnestly ask for your continued support on Election Day.

James J. Long, Senator,  
7th Middlesex District.

## TOWN NOTES

### Warmer Weather

The weather is getting warmer, alleges Clayton Buck of Woburn Street, as the result of records he keeps, on the first real killing frost Clayton has a bird bath in the back yard, and the first real heavy frost of the season always puts a little ice in the bird bath.

This year it was last Friday, the 21st of September. A year ago it was on the 20th., and the year before that it was on the 19th.

Want any more proof?

We had .04 inches of rain on the 22nd, a trace on the 23rd, and .15 inches Tuesday night.

### Safety Helmets

Wilmington High's football team, this year, is not using the plastic chin guard that was used formerly. Doc Fagan, the team physician, has banned the plastics as being liable to be shattered by a blow.

The chin guards approved by Doc are unbreakable, and hence lessen danger of injury to the players.

Doc inspects every bit of equipment to be used, every game, before any of the players can dress for the game.

### Co-operation

The Boy Scouts of Troop 63, as is shown by a photograph in this week's paper, built a fine signal tower, down at the DeMoulas parking lot, last Saturday.

They started assembling the tower at about 9:30 am, and each boy knew just what to do. The timbers were assembled, ropes were stretched out, and in no time at crews of boys were pulling on the ropes, pulling the timbers upright for the tower.

A shopper who had been watching remarked to one of the Scout officials standing nearby that the Scouts seemed to work as a Team. "Yes," said Scout Commissioner Foster Balsar "That's what they learn in Scouting - Boy Scout Team Work"

It was a fine tower, and the boys of Troop 63 had a fine vantage point from which to watch activities, until late in the afternoon, when the boys of Troop 56 decided that team work could really pay-off, and if some boys could see the sights from a tower, then if more got up there more would see it.

Little by little the number of boys on that tower kept increasing. We don't know how many boys were on that tower in its last moments, but there may have been a couple of dozen - for collapse it did, and, one might say, as a reverse function of Boy Scout Team Work.

Luckily no one was injured, other than one lad who sat in the First Aid Station for half an hour and consumed soothing candies and soda pops.

### Humor

Wilmington has been a fortunate town for quite a while, in having Clergemen who are more interested in promoting harmony than strife.

And while this little story doesn't have to much to do with the harmony angle, it does show that our Clergy also have a wonderful sense of humor.

In this particular instance we are writing of Father Edmund Croke, of St. Thomas, who was the speaker at the Golden Age dinner at the Old Age Housing hall, last Thursday.

We overheard one lady, who is of a different religion, say that she never enjoyed hearing a man talk as much as she did the stories the good priest was telling, that night.

#### Free Lunch

Walter Geswell, the new Exec. Secretary of the Chamber of Commerce may not remember this free meal, of which we speak now but there are those in Wilmington who do remember it, and told it to the Town Crier since last week.

Walter was once surprised, in a local restaurant, to have Mine Host declare, after the dinner was finished, that the bill was already paid. He suspected that some jokester had paid the bill, and then left leaving Gessy to wonder who had paid.

It was that Silver Hair, again. Mine Host thought it was the new Town Manager (Dean Cushing) and wanted Dean to have a dinner, compliments of the House.

#### Party Changes

The Town Clerk has received 16 requests to have the Political Party designations against the names of voters, changed, since the election of last week.

#### No Heat

One of the Town Crier's favorite correspondents is Mrs John Gillis, a member of the numerous Gillis family of the Federal Gardens area of Wilmington.

Her husband is a Chief Petty Officer in the Navy, and Beverly is the lady who keeps us posted on John's activities.

She sent a couple of notes to us recently, telling how her husband was taking part in the activities of the Navy in the recent Atomic tests in the South Pacific, and she sent us a Golden Anniversary edition of the Honolulu Star Advertiser - 132 pages, with color.

Beverly and John have built a new home, on a hill overlooking Pearl Harbor, complete with a nice garden, including five orchids in pots on the front porch, - and - take note - no heating facilities of any kind.

She is probably trying to make us jealous!

#### There Was Smoke

It wasn't a false alarm Tuesday midnight, when the fire alarm blew for the corner of Grove Ave and Main Street, but the Brave Fire Laddies didn't do anything but turn around and go back to their pinochle game.

Taxi driver Joe Balestieri not only smelled smoke, he saw smoke over Jeff's Donut Shop, so to be better safe than sorry he turned in an alarm.

The smoke that he saw and that he smelled was coming from a nearby trash barrel, and was just drifting over the roof.

#### North School

Starting a new school always has its troubles. The kiddos, we would guess, have found a way to set off the Fire Alarm, with the result that Monday morning the Brave Fire Laddies had their second 'dry run' to the school since it opened, this month.

And, Dame Rumor tells us, some of the kiddos put sand into the gas tanks of the bull dozers and other machinery working on the grounds. It was supposed to have cost umteen hundreds of dollars to get the machines fixed up again.

#### WILDWOOD CLUB DINNER

The annual "Get Acquainted Dinner" of the Wildwood Parents Club is to be held Monday night from 6 to 7 pm in the Wildwood School cafeteria, and will be followed by Parent-Teacher conferences from 7 to 8 pm.

It will be an excellent opportunity to meet the teachers and other parents. Persons wishing more information should call the Membership Chairman, Mrs. George Simmons, at OL 8 8808.

#### GEORGE BLAISDELL ON USS FRANKLIN D ROOSEVELT

George Blaisdell, Lowell Street, has become an Airman, in the Navy, while serving on board the USS Franklin D Roosevelt, in the Mediterranean. He was formerly serving in a Fireman's Division, and while he has had a promotion, it is not known at this writing just what the promotion means.

His address is: George R. Blaisdell, ADV, USS Franklin D Roosevelt, CVA 42, FPO, NY, NY.

Wilmington's High School Band is just about tops, this early in the season, and is worth going miles to hear. #### PHOTON AWARDED CONTRACT TO DEVELOP COMPUTER PRINTER FOR NATIONAL LIBRARY OF MEDICINE

Photon Inc., 355 Middlesex Ave. has received a contract from the General Electric Company to design, develop and fabricate a Computer-Printer for the MEDLARS System of the National Library of Medicine. The National Library of Medicine is a principal component of the US Government Public Health Service.

General Electric is to furnish a complete computer system for the storage, retrieval and publication of tagged information for medical scientific literature. Photon will furnish the computer operator which will operate as the output

device for the system and produce high quality photographic composition on film, at a photocomposing speed not hitherto achieved.

Photon's high speed printer, called ZIP, operates from magnetic tape or punched paper tape at speeds ranging from three to five lines per second - 300 to 500 characters per second. It opens an entirely new field to photographic typesetting. Type for the pages of telephone books can be set in the matter of a minute and a half, and the entire text of the usual novel or text book could be set in approximately 45 minutes. With the growing use of computers it is felt that there is a large market for this high speed typesetting device.

#### CONGREGATIONALISTS TO HEAR REPORT

Mrs John Silvers is to report, Sunday morning, at the Worship Service on her trip to Purdue University, where she attended the National Conference on Christian Education of the United Church of Christ Board of Homeland Ministries, August 22nd through 25th. This conference was attended by 4,000 delegates of the United Church of Christ.

Mrs. Silvers is to tell the congregation of the evening assemblies, the morning forums, the afternoon classes on the United Church of Christ curriculum and will advise on questions raised and problems which churches must face.

**BELLISSIMO CLEANED THE BENCH**

With the exception of two Junior Varsity players who were on the sick list, every player in the Wilmington football team had his licks last Saturday, in the opening game with Burlington.

For 22 minutes of the 40 minute long game, only Sophomores were on the field for Wilmington, and even those boys came near to making a touchdown over an obviously inexperienced Burlington squad. At no time, while the first time was on the field, did they fail to make yardage in any play, and they never arrived at that point where the QB thinks it might be well to kick the ball.

It was the first time in eight years for Connie Doherty, Burlington Coach, on the Wilmington field, and it must have been a sad occasion for the former Wilmington coach.

But Wilmington fans had a very good opportunity to size up the players for the teams of 1963 and 1964. They saw some fine work by Newhouse and Bevilacqua, and

a couple of other promising lads, including Emery and Lipiello.

Capt. Jack Bowen starred with his broken field running, while the Varsity team was on the field and HB Frankie McLaughlin was still fleet of foot. Jimmy Gillis played an outstanding game.

About 2000 fans saw Wilmington score 44 to 0 over the Red Devils, and were able to reflect that had the Red Devils been playing against a score hungry team, such as Chelmsford, the score would have been run up to 88 to 0.

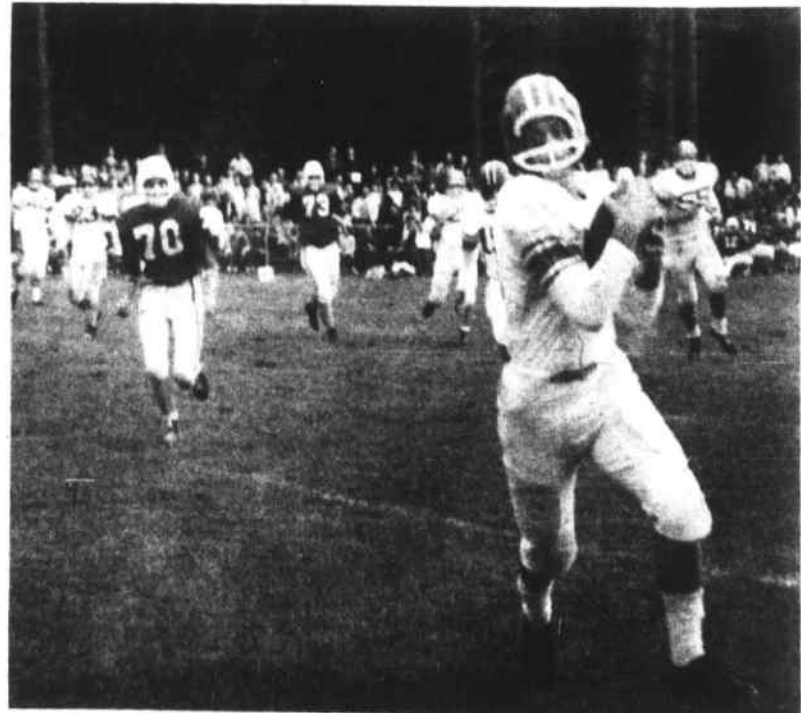

Bowen scored a total of 22 points in 3 touchdowns and 2 conversions. Frank Perdicaro and Frankie McLaughlin made the two other touchdowns. Gillis intercepted twice and Farrell once.

Saturday's game is to be with Billerica, at Billerica. Billerica lost 38 - 0 against St. Patrick's of Waverly Saturday, in an out-of-league game against a very highly rated team. They could prove to be tough opponents for Wilmington.

### PAINT SPRAYING LEADS TO FIGHTING - FIGHTING LEADS TO ARRESTS

Wilmington and Burlington youths had at least two melees, as fore-and-post events of the Burlington Wilmington football game.

For several years, just before the Burlington game, youths, presumably from that town have visited Wilmington, and "painted up" homes, business establishments, and signs. Many of the paint marks have been "BHS" but other marks have been made.

Last Friday night a group of Wilmington youngsters gathered near Wilmington High School to guard the school against the depredations of the visitors. Several cars drove up in the evening, and were driven off by the Wilmington youths. One of the cars, a yellow Mercury, was later reported as being parked near Bedell's Market, at the Wilmington Burlington line, and the report further stated that youngsters were applying paint to Bedell's Market. Officer Anthony Langone of the Wilmington police investigated. He apprehended one youth, an 18 or 19 year old of Burlington named Robert Barnes.

Barnes admitted to Langone that he had been engaged in the painting of Bedell's store, but would not name any of the others. He promised to clean up the paint, and Langone released him on the promise. The paint job was cleaned up by several Burlington youths on Sunday.

Saturday, after the game with Burlington, a fist fight started in the Baptist Church parking lot, which adjoins the High School tennis courts. Two boys were first engaged, one a Rooney boy from Wilmington, and the other was identified by by-standers as Barnes. A third youth joined quickly, and, although accounts differ, there is no doubt but that two of the youths were kicking a third, when he was on the ground. In no time at all 6 or 7 youths were in the fray, and then several Wilmington policemen jumped in and finally stopped the fighting.

A young red-head from Burlington, Frederick Keene, according to eyewitnesses, attempted to stop the fighting by holding one of the men who had been doing the kicking, and he in turn was assaulted by others from behind.

When the police arrived the original fighters disappeared, but Keene was arrested, for resisting a Police officer. It took the combined efforts of several police officers to subdue Keene, and even later, on Church Street, he again began to attempt to free himself, even though manacled.

Keene appeared in Woburn Court Monday morning, charged with resisting a police officer, and the case was continued, on his attorney's request, for two weeks, without plea.

### LETTERS

Dear Larz:  
May I express my sincere thanks for the splendid vote given me by the citizens of Wilmington on Primary Day. I promise to continue to merit this vote and encourage others to join with us by November 6th. To this end I would welcome and appreciate any opportunity to discuss or debate the issues and problems with my opponents any time and any place, before the Citizens of Wilmington.

Sincerely,  
Kenneth C. Latham

Dear Ed:

Just a line to tell who it feels after having voted for the man who lost in the primaries. It feels good ..... Good that is, to know that one who has followed the concepts of conscience and worked to that end.

To be in the headquarters, occupying a "Front row seat" as the turns come in, and to see the fresh young faces of the college crowd as they change from expressions of disbelief to a quiet kind of rage, and then to utter despair, is an experience this reader will not forget. These kids could have removed themselves from that scene of defeat, and cheered the winning candidate as he entered in triumph, only 15 feet away from them. Not one of them moved, while we sat quietly and pondered on those elders among us who cry out against the depraved attitude of our young.

We were proud for the chance to be one of them; to be walking among their ranks, shaking their hands and patting them on the shoulders, as they still defiantly worked on, chalking up the returns as they came in.

They had all read the same book; we mean the one entitled: "Profiles in Courage", written by a young Navy Lieutenant, one John Fitzgerald Kennedy, in which he stresses the fact that the greater intelligence is always in the minority; in which he brings out again and again in those chapters how rewarding it is to have listened to one's conscience, and to vote the way that it dictates.

And only so long as we feel this freedom in our hearts will our great country remain strong.

Respectfully,  
Bea McCormack

**THE STORY OF THE RATTLESNAKE SKIN**

The Rattlesnake Patrol of Troop 56, Wilmington Boy Scouts, goes  
back over 30 years in continuous history. Over 20 years ago it was  
given this rattlesnake skin, and boys then in the Patrol mounted it.

The rattler was shot, in Florida, by an uncle of one of the Scouts  
then in the Patrol, Louis Tarricone, and was mounted by Patrol Leader  
Talbot Hood. Other well known individuals who were in the Patrol  
at the time included Phil Denner, and Herb Higginbotham Jr., all of  
whom saw service in World War II.

Philip Andrews, Assistant Scout Master of Troop 56, is telling the  
story to the Scouts, in the picture.

There were about 100 at the party, all perfect ladies and gentlemen. Some of those present are shown here. **SURPRISE PARTY FOR FORMER  
WILMINGTON RESIDENTS**

A surprise party at the Odd Fellows Hall on Sept. 20th found dozens of old friends present to honor Mr and Mrs Albert Reid, formerly residents of Lowell Street, now living in Newton Center. It was the occasion of their 44th Anniversary.

Mr and Mrs Aubrey (Mabel) Scott of Noel, Nova Scotia had made the trip specially to honor the couple. Mrs Scott is a niece of the couple. Another lady who was present was Miss Lillian Scott, Mr Scott's sister, and her September birthday was also celebrated.

Mr and Mrs Reid believed that the surprise was intended for Miss Scott, and Miss Scott believed it

was MFOR the Reids.

The evening started with music and singing, after which the guests were invited into another room, where the festive occasion took place.

When each one who attended the party entered the room, a unique idea of a 'mail bag' was passed around to hold the many birthday and anniversary cards for Mr and Mrs Reid, and for gifts, and yet another 'mail bag' was passed around for Miss Scott.

Mrs Mabel Scott, after the surprise, made a brief and appropriate welcome speech, giving a cordial welcome to all, and explaining the purpose of the party.

Mr and Mrs Reid were presented with a 'Money Tree' made of wire and foil by Mrs Reids' sister, Mrs Lucy Crowe of Burntcoat, Nova Scotia, and a thing of beauty. The branches were laden with bills and silver and gold pieces amounting to over \$100. A card was signed by the near relatives of both Mr and Mrs Reid, was presented by her brother, Oland Reid of Malden. They also received the following

gifts: Bookends from Mr and Mrs L N Ettinger of Noel, NS. Ear-rings from Mrs Rebecca Wilson, Roxbury, Pin, Mr and Mrs Horace Wilson, Roxbury; Chocolates, Gail and Ralph Scott, Noel NS; money from Margaret, Aubrey and Mabel Scott, Noel NS which was added to the 'tree'; a bouquet of glads from Mr and Mrs Lowell Laffin, Billerica; Chocolates and hosiery from Mrs Reid's sisters in Somerville, Scarf and gloves from another relative: a memo pad in a leather case from Mrs Mildred D Ross of North Reading, and several envelopes containing money, besides the birthday and anniversary cards.

A niece, Miss Ethel Reid of Peterborough, read the cards for her Aunt and Uncle. Miss Scott opened her 'mailbag' and read her birthday cards and opened the gifts which included chocolates, a bracelet, stockings, money and handkerchiefs.

Mrs Reid was presented with an orchid corsage, and Mr Reid a carnation, and Miss Scott a corsage of Baby Mums, by Mrs Mabel Scott.

A real treat of Nova Scotia made chocolates was passed around and colored slides were shown of Nova Scotia, as well as of Mr Scott's recent trip to England, France, Scotland, Holland, and Belgium. Luncheon was served by Mrs White of Minasville, Margaret Scott of Noel, and Ella Faulkner of Selena, all in Nova Scotia, and Mrs Don Henderson of Needham. The table decorations were in keeping with the occasion, all in pink and white ribbons from the ceiling, and with pink bows, and attached to the corners with pink bells.

The anniversary cake was made and decorated by Mrs Helen Caldwell of Needham, pink candles in crystal holders stood near a large white wedding bell, at one end of the table, while at the other end was a white wedding cake flanked with more pink candles in crystal holders. Ruth Scott of Noel NS sent a Butterfly birthday cake, cleverly frosted in pink and white with silver decorations, and to Miss Scott another Butterfly cake with yellow and brown frosting.

There were about 50 guests present, including from Wilmington, Mr and Mrs George Reynolds and

Mr and Mrs William Scott; from Barrie Mrs Harold Glancy and Robert and Verna Reid, from Walham, Mrs Don Wilson, Mr and Mrs Curtis Webb, and Polly Faulkner; from Dorchester, Mrs Beatrice Barrett, Mrs Mollie Butterfield, Mrs Gertrude Mackay and Mrs Flora Brown; from Malden, Oland Reid and Mrs Phillips; from Needham Heights Mr and Mrs D Henderson and Mrs McCulloch; from Roxbury Mrs Rebecca Wilson and Horace Wilson; Needham, Mr and Mrs Everett Henderson; Mrs Marion Coldrick from West Medford, Mrs E J Morchini from Athol, Mrs Mildred D Ross from North Reading, Mrs LaFavour from Reading, Mr and Mrs James Laffin from Bedford, Mr and Mrs Lowell Laffin of Billerica, and, from Nova Scotia, Mr and Mrs Aubrey Scott, Mrs Wilbur Ettinger and Margaret Scott from Noel; Miss Lillian Scott and her mother Mrs Greene Scott and Mrs White, from Minasville, and from Selma, Ella Faulkner.

(This account, by request, has attempted to record all names - if any are omitted it is unintentional) During the entire evening a tape recorder was recording the events, and perhaps at some future event the party will be re-lived.

The party was described as "another of Mabel's lovely homey Nova Scotia parties, enjoyed by all who were present, and those who were unable to attend missed a most pleasant affair".
